**Open
Day**

**Saturday
1 July
2023**

**Ropley
MPD,
Mid-Hants
Railway**

**11:00am
to
4:00pm**

- Meet the team
- Fund-raising raffle
- Boilershop open for viewing
- Browse the progress photos on display
- Full access to 499; see the phenomenal progress made to the engine
- Watch short film footage of 506 in her MHR running days
- Talk to the specialists - MHR boilershop foreman & our specialist fabricator
- Display of components fabricated 'in-house'
- Visit the sales stand - superb supply of 'as-new' books
- Free admission, parking in 'top' car park off Bighton Hill (SO24 9SQ)

We are hoping to have 506 available for viewing and short cab rides, but this is very much dependent on the Watercress Line's motive power requirements for the day.
